

1. As a logged-out user, I want to be able to see icons for and short descriptions of the functionality of both the Bible study and Prayer pages
2. As a logged-out user, I want to be able to login
3. As a logged-in user, I want to be able to navigate to the Bible study or Prayer page from the home page
4. As a logged-in user on the Bible study page, I want to be able to pull up any passage from the Bible and take notes which I can access later
5. As a logged in user on the Prayer page, I want to be able to create prayer requests that will remain on the page next time I log in
6. As a logged in user on the Prayer page, I want to be able to check prayers for the day to gray them out, but have them reappear as unchecked the next time I log in
